

Official Sunningdale Guide – launch 10 September
By the Mayor of RBWM, Catherine Bursnall, 15.45 at the Pavilion

This new A4 full colour publication gives you a fresh look at our Parish, its history, the landscape, the work of the Parish Council and other organisations. It is supported by the community, the businesses and the Royal Borough of Windsor and Maidenhead. Come and join us for the launch of this exciting initiative.

Big Society – Focus Groups to hear your views.

Royal Borough of Windsor and Maidenhead is at the vanguard of the Big Society, invited by the Government to be one of the four Councils showcasing what is meant and the kind of projects that could be undertaken. Included in the priorities for the project is 'Devolution to parishes – to see if there are more services that they would like to deliver directly'.

To that end Sunningdale Parish Council invites you to attend one of three planned focus groups where we will hear from you on how we can achieve a better quality of life for people in Sunningdale, carry forward ideas for Sustainable Sunningdale, and see how we can organise those services which our community needs. This is **not** about creating a wish list of extra things that you would like Council to do but about getting a handle on the underlying and future needs of our community and bringing about the changes to make it happen.

Dates: 13 September at 14.00, 16 September at 19.30, 5 October at 19.30
Sessions will be for 2 hours in the Community Room at the Parish Council.
To attend please email us and indicate which date you prefer:
Sunningdale.parish@rbwm.gov.uk

To find out more about any of the events www.partyroundtheparish.co.uk

Recycling with Recycle Bank

With the advent of the blue recycling bins Sunningdale residents can earn points by separating all the relevant materials into that bin. The pilot scheme showed an average of £80 earned in vouchers. Start by registering with Recycle Bank. Please come to the Parish Office if you need help with this.

Small Hall Development at the Village Hall

A major refurbishment of the small hall is underway, jointly run by the Pre-school and Village Venues. Substantial funding has already been provided by RBWM along with donations from other local trusts and individuals. The internal refurbishment of the hall is due to be complete before pre school begins in September. Work to the garden will follow once funds are raised.

Eco-Circus 'A Tipping Point'

Friday 24 Sept 14.00 & 16.30

Ladles and Jellyspoons, Baubles and Gerbils – roll up for a fabulously funny eco-show. Join in the live music and mayhem as EcoCentrics present an hour long family show combining clowning and comedy, music and artwork exploring how our everyday actions can affect the planet.

The show is designed for primary children and their families. Find out about CO2 and carbon footprint through the antics of clown car CO2MAX. The 'big top' will be at the Recreation Ground, seated on the ground (bring a cushion).

Community involvement

The whole community is invited to help decorate the Big Top early on Friday and to join the processions with music, fancy dress and whirlygigs. The first colourful musical procession – 13.40 at Holy Trinity School and second at 16.00 around the Recreation Ground. An afternoon of fun for all our futures.

Tickets £5 adults, £3 child, £10 family (2 adults, 2 children) available for the two performances from the Parish Office or from participating schools. **Brought to you by SUSS**

Christmas Celebration: 3 December 2010
