**Newsletter: December 2020**

Following our last newsletter in September 2020 we want to update you on progress and forthcoming works over the next couple of months at Sunningdale Park.

From the New Year we will start piling in our first phase (highlighted below). The piling rig will be delivered during the week ending 18<sup>th</sup> December and will enter site through the double gates off of Larch Avenue.

These works have been programmed after Christmas to avoid any disruption during the festive period and are due to commence during the week 4<sup>th</sup> January 2021 and will last up to 5 weeks.

Over the coming months we will be sending out further newsletters to provide updates on future proposed works. Should you have any concerns whilst work is being undertaken, please do not hesitate to contact myself via the Farnham Royal office on 01753 784400 or by email on [Chris.Hawkes@Berkeleygroup.co.uk](mailto:Chris.Hawkes@Berkeleygroup.co.uk).

**I would like to draw your attention to the inherent dangers of building sites, in particular for children, and request that no unauthorised visits are made onto the site.**

We would like to wish you all a Merry Christmas and a Happy New Year from all at Berkeley Homes (Oxford and Chiltern) Limited.

Kind regards

**Chris Hawkes**
